

# 1958/59

The fall of 1958 saw the completion of half of a gymnasium. The new facility gave students a place to play, and for the first time in Pemberton, a school basketball team was established. The first boys' team was made up of students from grades 9-12, (see roster below). They played most of their games with the Cascade Timbermen, the Pemberton's men's team. This group of boys chose the name, 'Red Devils,' (see 'History of Red Devils' Page).
