

SPORTS

RED DEVILS

Through this past year the different teams, the basketball team, the track and field teams, and the grass hockey teams have exhibited good sportsmanship and school spirit. Though unfortunately we have lost many of the games this year, we are not disheartened, and we plan a bigger and more successful athletic year in the time to come.

# BRALORNE TRIP

The boy's and girl's Basketball teams travelled to Bralorne on March 9, 1963. A 'round robin' was planned at the Bralorne Secondary School. The Lillooet teams met us at the PGE station and travelled with us, by bus, to Bralorne. As soon as we arrived the Lillooet and Pemberton girls played a game. Not being used to a rough game and not being very aggressive we lost 19-18. After a hot meal the games continued; Pemberton boys won hands down with a terrific score of 32-20. Girls v/s Bralorne 38-18---- Boy! were we proud of ourselves! The final game was between the boys and Lillooet, they found more competition here and only one by a narrow margin.

That night we were billeted out at the players homes. The next morning we met at the school and returned to Lillooet by bus. The final stage of the journey was completed by the PGE railway.

Our thanks to Mr. Hayes and the Student's Council for arranging and financing the many activities we have enjoyed this school term.
