

Senior Boys Basketball

The Senior Boys Basketball Team was in a rebuilding stage this year with only Curtis Smith returning from last year's senior team. We played in eight tournaments, our best placing was second at the Mt. Currie Junior Men's Tournament. The first string will return intact for next year's season.

Basketball

Junior Boys Basketball

It was a season of improvement. Each court appearance established a new high in team play and individual performance. Without a doubt the high points of the season were the Ashcroft tournament and Jim's basket. Congratulations to the team!!

Mr. J. Lucas, Coach

Junior Girls Basketball

The team was composed of relatively new faces this year led veterans Renville and Wallace. A trip to the West Whalley Trojan Classic was a highlight along with the C.T.C. at Ashcroft (thanks to Mr. Renville). With most students returning for next year and some hard work, we look forward to a successful season.

Team Sports

Senior Girls Volleyball

A mixed-up season starting with practices at Signal Hill and finishing with a cancelled trip to the Zone Play-offs. The C.T.C. tournament was a challenge as our game experience was limited. The team played well considering the travel and all.

Volleyball

Junior Girls Volleyball

Perhaps our toughest opponents all year were the nits from Whistler and low ceilings. These two events combined almost made our season a non-event. As a result of expending our energy overcoming these adversities our potential was not realized until too late in the season. We are looking forward to next season with high ceilings and no nits.

Mr. J. Lucas, Coach

Sr. Girls Basketball

This year the girls were very successful and won the majority of games and tournaments this year. They came in first in the Howe Sound Tournament and represented Howe Sound in the playdown's for B.C. Although they didn't do to well at Sentinel, next year's goal is to make it to the B.C. finals. The top senior girls basketball player this season was Valerie Sankey.

J. Carroll, Coach

Spud Valley Loppet

On March 6 these 4 students skied in the 2nd Annual Spud Valley Loppet. Steve was the first Pemberton student to finish the 12 km. course. The students brought home the Secondary School team award.

Girls Soccer

The girls soccer team entered a rebuilding program this year. Over two-thirds of the team members were from the 8th and 9th grades. They faced stiff and vigorous competition from their opponents. These girls, however, gained valuable experience from this year's matches. Next year they should be ready to show the other teams what they will be capable of doing on the pitch. Good luck next year girls.

Mr. V. Jazic, Coach

Soccer

Senior Boys Soccer

The Senior Boys Soccer Team made good showings in all their outings this year. The team had several hard fought games with T'szil. At the CTC tournament in 100 Mile, the team played well but were out-muscled by several very physical teams. Impressive players were: Derrick Wallace, Bruce Edmonds, Brad Rustad, Carl Smith, Craig Dan, and Clayton Gabriel.

Mr. M. Dennison, Coach

Track Team

Seventeen students travelled to Ashcroft this year and did exceptionally well considering the size of the team. Some of the big winners were Jeff Lawrence--new record in javelin, Dale Hughes--record in hurdles, Sheena Wallace--first place in high jump, and Andrew O'Keefe--first place in high jump. All participants contributed to a successful meet and trip.

J. Carroll, Coach

Intramural Sports

Just try it, sucker!!!

The league's this year were: Soccer, dominated by the teachers team with Mr. Renville, Mr. Lucas, Ms. Carroll and Mr. Jazic. Floor hockey, ruled by the Grade 11's who rolled over all opposition. Volley ball had the most participants and was enjoyed by all.

Mr. D. Burgoyne, Coach

Nothing serious, but....

Shut up Rod, I'll handle this one!!

OOPS!!!
