 Nathan Nelson, Paul Johnny,  
 Mike Dudas, Steven Mc Nolty,  
 Angus Maxwell, Delbert  
 Wallace, Jason Sinnes, Jason  
 Morris, Bryan Bechard, and Ronnie  
 Janke.

The Junior Boys Soccer team had a short season. After two wins at home they then travelled to 100 Mile House to take part in the annual CTC tournament. With only one loss they came away with the runner-up position. In their last year of Junior soccer Steven Mc Nolty, and Jason Morris provided leadership and offensive power. Willis Lester and Shayne Peters anchored a strong defense. The future for Pemberton's Junior soccer team looks good with Grade 8 players Mike Dudas, Tim Gabriel, Nathan Nelson and Shayne Peters supplying a solid nucleus to build on.

## Boys' Soccer

### SENIOR BOYS SOCCER

The senior boys soccer teams highlight of the year was tying Mt. Currie at the C.T.C.'s. Our team played the entire game one man short. Only two players are leaving the team, Derek Jazic and Dave Den Duyf. Expectations for next year are all victories and no losses.

 Joanne Den Duyf, Natasha Phillips,  
 and Tara Williams.

# Girls' Soccer

Girls soccer was highlighted with their participation in the CTC tournament at 100 Mile House Jr. Secondary. The weather was clear and cold and the fields were frozen solid for the games. The girls lost close decisions to 100 Mile Jr. and Ogden A but defeated the Ogden B. team. The team also played Mt. Currie in exhibition play and at the CTC tourney with each team winning a game. As most of the players were in the junior grades, the team looks forward to a stronger team in future years. We will miss the experience of graduating seniors Michelle Dennison, Lorelei Lester and Doris Peters.

## SENIOR BOYS VOLLEYBALL

The Senior boys Volleyball team had another full season. Actually there were two senior boys teams that played for most of the games and tournament, including the CTC in 100 Mile House.

It was only for the provincial zone tournaments that one best team was fielded, because there is so much depth on this team the boys Placed 2nd. They creamed Howe Sound, and Xit'olacw and gave St.Thomas a run for their money. Next year could be our year!

## JUNIOR BOYS VOLLEYBALL

( L to R , TOP to BOTTOM )

COACH: Mr. Burgoyne, Duncan Maxwell  
Nathan Nelson, Paul Johnny, Mike  
Dudas, Steve McNolty, Angus Maxwell,  
Ryan Jazic, Bryan Bechard, Jason  
Morris, Delbert Wallace.

The junior boys volleyball teams season was one filled with indecision. After a few coaching changes, "ROCKY" took the controls of the team and they vastly improved their effort and subsequently their performance with each practice and game. It finally paid off at the CTC tourney where the team was in contention in all matches and realized that practice really is the key to success.

## JUNIOR GIRLS VOLLEYBALL

Certainly a memorable year for the girls involved this year. Tournaments in Brackendale and Gibson provided some valuable experience in preparation for the CTC's. The girls showed superior team-play and for the most part superior skill. Unfortunately we ran up against teams with much more game experience. All in all a successful year and with 5 of our 6 starters returning, next year looks very promising.

 Charmaine Wallace, Amanda Arundel, Jenifer Cosulich, Tracey Wheeler, Karen Wylie, Stephanie Fosty, Tracy Krotz, Illeana Andrew, Tara Willams, Edith Rozsa, Nadine Jeffers, Elaine Sillanpaa, Aileen Godard, Karen McNolty, Rachel Roberts, Andrea Woulle, Nicola Dedeluk, Chris Arundel. COACH: Mr. Lucas.

# Girls' Volleyball

## SENIOR GIRLS' VOLLEYBALL

This Volleyball season saw much improvement for the Senior girls. For many of them it was their first year on the Senior team. Although their victories were few they did attend 2 major tournaments at which they gained experience which will be valuable to them next year as Senior veterans. The girls always displayed enthusiasm and good sportsmanship.

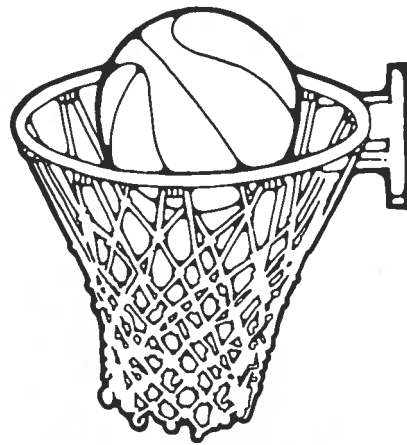

( L to R , TOP to BOTTOM )  
 Julie DeHart, COACH: Mrs. Sinclair Lorelei Lester, Lisa Morten, Krista Morten, Michelle Dennison, Terina Gimpse, Jodi Lefebvre, Marilyn Perkins.

## JUNIOR BOYS BASKETBALL

The inexperienced team had an 4-11 record this year. The future looks bright though, as half of the team were in Grade 8. The team travelled to Lilloot twice, Gibsons, and Squamish for tournaments. The season's highlight was beating Brackendale by 20 points. They came second in the tournament hosted here in Pemberton. Shanyne Peters had the game of his life scoring 22 points. At the C.T.C's the under-manned squad came close to upsetting Lilloot, the eventual winner, and Clinton, in a game which went down to the final shot. The team learned that hustle and fundamentals are more important than shooting.

## Grade Eight & Junior Girls' Basketball

Although the junior girls didn't win very many games this year, there was a definite improvement over the course of the year. The encouraging part of the season was that the Grade 8's played very strongly and will form the nucleus of the junior team for the next two years. In the only tournament where the Grade 8's from the same size of school, they won both games. Other tournaments that the entire team went to were in Brakendale, Gibson's and Lilloet. We look forward to a good year next year.

# Senior Boys' Basketball

Our senior boys team got off to a slow start this year but began pulling by the end of the season and a noticeable improvement was apparent. Because none of the teams' starters are departing this year nothing but high expectations are expected throughout their season in the upcoming year.
