## P! S! S! GO DEVILS GO!

Leadership did an amazing job of putting together one of P.S.S's best Pep Rally's in a long time! The dance team did a great job of giving our school some spirit by pumping them up with a dance and some cheesy cheers. Everything worked out well, with kids blowing noisemakers and having their faces painted by leadership. The crowd roared as the Sr. Boys ran out on to the floor to play the first game in their tournament against Howe Sound. It was an exciting game with lots of highs, lows and close calls, but in the end, our boys unfortunately weren't successful. Everyone had lots of fun, and it didn't seem to matter what the score was, because we are always proud of our teams!

# Senior Girls Basketball

The senior girls had a very successful season, coming first and second in all of their tournaments. The girls also had an EXTREMELY close game against their favourite rivals, Elphinstone, losing by only one basket and a foul shot. They conquered Mt. Currie in the zone play-offs, earning the privilege of participating in the Provincial 'A' Basketball Championships in Kaslo, BC. The girls came in 12<sup>th</sup> place, but had many exciting games and a lot of fun.

# Grade 8 Boys Basketball

Even though the teacher strike put a damper on everyone's basketball season, the boys showed determination by showing up on Mondays and Thursdays for early morning practices. Unfortunately, the boys didn't get many games. They did, however, play Mt. Currie, where the boys played hard and showed good sportsmanship, claiming victory in the end. Watch out for this dynamic team in years to come.

# Senior Girls Volleyball

This year, as always, the senior girls were ready for some action. They had an exciting season with many triumphs, along with some unfortunate losses. They showed excellent talent and sportsmanship in all their games. As a result of coming second in the zone play-offs, the girls got the opportunity to participate in the wild card play-offs. They tried their best, but unfortunately didn't make it to the provincials. Despite the loss, the team had a good time and are looking forward to next year.
