We were involved in only one tournament at Ashcroft this year. All the players crammed into Bujold's car and managed to barely survive the trip with the aroma of swiss cheese to accompany us. This team also remains intact next year complete with the cheese. Missing will be Bujolds blistering serves, Hillstrom's spikes, Webb as captain, and Terry McCulloch with his sore knee.

This year the fabulous Jr. Boys started the year off with a spectacular loss against Squamish. Then it was off to the Mile "O" Tourny where they didn't do too bad. At the CTC the Jr. Boys had to beat Clinton twice to prove who was the better team. Gary Wray won an all-star along with Brian Wray who also won the MVP. Then it was off to the Howe Sound Tourny where they narrowly missed another championship. The Wray boys won trophies here,too. lo wins, 5 losses for the year. The boys played against Lillooet, Ashcroft, Pender Harbour, St. Pats, Elphinstone, Len Shepard, Squamish, Clinton, and Shuswap. The wins come from playing together as a team and these boys all gave the season a run for it's rewards. Good Luck in '76!

We had a great year. The games were fun and interesting. Naturally we had squabbles and I hate you but like always we ended up loving each other. Great girls our team, a real team feeling a one for all and all for none. Like the game up in Lillooet it was a real wouser a tie game all the way to the end, naturally the girls were getting a bit upset. The score was? When Lillooet got a breakway she goes roaring up the floor, us girls running behind her trying to catch up when Miss Sankey commonly known as ____ passed us like a streak of greased lightning. When we look in front of us we see Miss Sankey coldly tackling the poor breakaway girl. Miss Sankey wraps her arms around the girls' legs and they tumble to the floor. The result was that Lillooet didn't get 2 points and Pemberton got it on the side, and of course we have our smiley girl with us; same kid is just about ready to elbow her in the stomach and she keeps asmiling, or how about our girl Cheryl she calmly executes judo in our game against _____ and flips the girl over the shoulder. Yes these are just a few of the exciting experiences our girls meet in their encounters of THE GREAT SPORT BASKETBALL

Senior Boys

Ken Fraser, Geordie Ferguson, Gary Wray, Terry McCulloch, Alan Bujold, Heinz Zurcher, Brian Webb, Brian Wray Barry Gilmore, Mr. Renville

The Senior Boys basketball improved greatly throughout the year going from losing their first five games to winning their last five games. Only two players, Brian Webb & Terry McCulloch, graduate so the team should be a powerhouse next year. The team has developed a new defence which no other team can penetrate, if you wish to know the secret just ask any of the senior boys. Gary Wray has found the secret to success-wear Mr. Renvilles's shoes, Ken Fraser now knows the success of fighting-stay down when hit. Brian Wray has been working on some new offensive moves that his grandmother has shown him. Geordie Ferguson will have to attend practices on Tuesday night next year now that Police story has been cancelled.
